

# Will you ?

A second time I ask thee ?

The Word of God asks will you ?

*Are you the willing ?*

The God of Noah asked will *you* ?

*Noah questioned not and did.*

The rest is a glorious history

Unto The Lord!

The God of Abraham

*asked will you ?*

*Abraham did all that the Lord asked.*

The rest is a glorious history

Unto The Lord!

The God of Moses asked will *you* ?

Moses answered hesitantly...

He felt awkward of words  
so The Lord gave him Aaron to speak  
until Moses found his confidence.

Moses went the distance asked !

The rest is a glorious history  
Unto The Lord God of Israel !

The God of The Prophets  
asked will *you* ?

The Prophets spoke and did as The Lord Willed.

They boldly said " yes " and spoke to  
Israel what they did not  
want to hear !

The rest is a glorious history  
Unto The Lord God of Israel !

## The God of Job

asked will *you*?

Job lived for The Lord as a yes.

He rigorously came through

God's trial & testing!

The rest is a glorious history

Unto The Lord God!

## The God of Paul

asked will *you*?

Paul when knocked from his horse

knew Who was knocking and

said unto The Lord...

What would you have me do?

The rest is a glorious history

Unto The Lord God!

Are ye a true follower of The Lord ?

Are ye a true disciple ?

Are the above not one in the same ?

Was it the many or the few  
that served My Will ?

Was it many or the few that changed  
the face of the earth ?

Are you of the many's that  
affected little ?

Or

Are you of the few that  
affect all things ?

Will you's become the answers  
that are *commands of*  
*the heart!*

In action they are guided as the arrow  
that flies true and straight as  
in those that have fully  
and completely  
bowed and yielded;

From which came forth an unshakable  
obedience and true service

Unto Our Lord God.

Are you as they were ?

What do they In The Cloud see in you ?

In the Spirit of All Things seen

*“ Will you ? “*

The first time you answered,  
did you see what you  
see now ?

To make your “yes “ “yes “ requires  
wisdom, knowledge and  
understanding

**By My Lampstand !**

Foolishness must be broken for  
**My Light To Enter...**  
and the darkness must be cast out !

AMEN.

The journey of God's people continues.  
There is history yet to be written.
