

# The Way To Truth...

## Seek Me

I Expose things that you might see.  
I Expose things that you might hear.  
I Expose things that you might live.

I Serve The Will Of My Father  
As The Bearer Of Truth,  
As The Light into your darkness.

The greatest lie, the greatest secret is having  
the world believe that he does not exist,  
that evil does not exist.

Ignorance is the seed of your destruction....  
Ignorance in the sight Of Truth!  
Complacency is blindness.

Seeking false shade makes you  
both blind and deaf.

he is satan.  
he is real in your world.  
he rules your world.

*Look Around!*

Do you not see the destruction,  
the havoc in your world ?

he is out to enlist into service.  
Many of you are already in his service...  
his are your temptations and your misdirection.  
he has but one desire.  
to destroy who you are.  
to cloud you over.  
to darken your path.  
Consciously and subconsciously any string that  
he can pull will be pulled at any moment  
according to the willing puppet.

**Trust Me In This !!!**

You know not his depths.

The enemy comes as a friend.  
he extends out an inviting hand.

trust me he says.  
listen to my words.  
he plants his evil seed.  
he says I am philosophy.  
he says that I am the new age  
and i am the true lord of this world.  
i am god...he boasts !

Remember Why I Cast him out.

he was jealous of Me and wanted My Power.  
I Am All Things you want and need.

he is greed.  
he is complacency.  
he is the one that rapes,  
the one that pillages.

Is This the direction to go ?  
There is always a price to be paid in the end!  
and know that the end is near.

The world you know is about to change.  
See the signs !

The enemy has brought you to  
the very brink of your own destruction.

This brink is also the brink of  
A New Dawn In Me.

This is the brink of The Life I Have for you.

Your ways have open the door to death or life.

The price is too high !

It is indeed more than you are willing to spend, willing to give.

It is so much more than you can possibly imagine.

What kind of world are you allowing to be created?

What shall be the inheritance of your children,

My children ?

Know that responsibility falls upon you.

Know that you have been blind to these things.

I Bring My light Of Truth

to show you these things.

Whom shall you Revere?

Whom shall you Fear?

I Am Righteous Indignation.

I Am The Anger That Will  
Change the face of world.

I Am The Grace  
that saves you.

I Am The Perfector  
of your faith.

Will you Seek Me?

Will you Follow Me?

Will you Serve Me?

Will you Stand In And For Me in these times?

I Sayeth...  
Wrath Is Mine.  
Vengeance Is Mine.  
Dare Not Fall Under This  
That Is My Judgment.

You Will Profess All Things.  
You Will Be Held Accountable.  
You Will Stand Before Me.  
You Will Answer To Me !!!!

Be not a slave onto slaves!  
There Is But One Master.  
I Am The Master!  
I Am The Lord!  
I Am The Fire!

Spiritual gifts are like a  
child playing with a new toy.

Beware my children !

Be not lead as the psychics and soothsayers are, believing they  
do good while leaving a path of destruction and desolation.

You seek answers from those that cannot see.

Through their misguidance you reap what  
is sown by reaching beyond light into the darkness !!!

Beyond is a dangerous place Without Me.

What you choose to believe becomes your reality,  
the course chosen of your life.

What you believe is either a curse or a blessing.

Without Proper Guidance From Me Your Father,

the enemy comes to steal away My children

by day and by night....

Night is your darkness.

Day becomes your darkness.

The enemy comes as an angel of light.  
This false light misleads and can only be discerned

## In The Spirit.

Many wolves in sheep's clothing  
graze, stalking in the earth.

There is a lion that lurks seeking  
to devour the innocent.

Only I Know the depths of satan.

Whom do you follow and whom shall you seek?  
This is the question I ask you to consider.

Examine your motives.

The moment you are certain,  
you are deceived.

Are you certain of the desires I Have?

No one knows My Thoughts except  
Those I Choose To Share Them With...

Your wisdom is only that Which I Impart.  
Are you certain that you walk In My light?

Remember that  
I Am The Lampstand.

I Hate the nicolaitans, those that worship in  
the synagogue of satan.

When you leave me so leaves  
The Light That Is My Light !!!  
I Remove The Lampstands !!!

There is no part time service In My Realm !!!

I Abhor lukewarm.  
I Spit Out lukewarm.

There is only black and white....

darkness and Light.

The tree that is of death and

**My Tree That Is Of Life !**

They cannot share the same soil,  
your soil is spoiled to rotten !

Oh you see not the death nor the destruction  
that is happening and is to come !!

Fight the good fight To Come To Me.  
Only I Can Lead you out of your darkness !!!

I have seen the destruction,  
I have lived the destruction  
That Deeply affected my soul, body and spirit.

I Trusted In The Lord.

I had no where else to go.

He Has Replaced my old home  
with A New Place to dwell...

I now dwell In The Father's House.

The world is a forest of darkness Indeed.  
It Is Time to cut that forest down !!!

There are trees that have risen too tall !!!!

It Is Time For  
The Light Of The Son  
to shine.

The battle is in you...  
It begins and ends with you !  
Fight The Good Fight For Christ !

There are those that would say that there  
is nothing new under the sun...  
They Are Correct !

But they do not know *What The Son Knows.*  
So *Everything The Son... Our Lord*  
*Jesus Christ Shows us*  
*Is New !!!*

No one but He Knows the depths of satan.

It is a battle that only  
*The Lord Can Win...*  
*He Alone Is The Victor*  
for all of us !!!!

*May All Glory Be Unto The Lord!*

No influence of darkness can withstand  
*The Hand Of Our Lord.*  
We do not support ourselves... He Supports us.  
Let us be *Rooted In Him!*

Remember when Peter stepped out onto the water  
and sank when he took his eyes off of

Me.

A moment of doubt entered as he looked  
down at the sea, at his world.

I Am The One That Walks On The Water  
above the storm which consumes.

To Be Free In Me  
Is To Be Free Indeed !!!

Keep your eyes On Me.  
Put your trust In Me.

There Is No Other Way out...

Seek Me.
